

Visit our Sight Centre

Advice • Information • Support • Specialist Equipment

If you or someone you know is experiencing sight loss then help is at hand.

Why not drop-in to our Mobile Sight Centre where we can offer information, advice, specialist resources and equipment to help you overcome the challenges you maybe facing.

Our trained Mobile Information Officer Malcolm Greenway can demonstrate and advise on a variety of aids and equipment designed to make life a little easier, such as talking watches, low vision aids, big button telephones and lighting.

Get the help you need when we visit a location near you!

Visits central locations around the county including Town Centers, Doctors Surgeries and Retirement Villages. To find out when it will be in a town near you call us on our Helpline: 01604 719193 or visit www.nab.org.uk
